Monthly Payment Plan (offered through Tuition Management Systems)

\*\*\*A mailing from Tuition Management Systems will be sent in the near future. Visit their web site at [www.afford.com](http://www.afford.com) or call them at 1-800-722-4867.

REGISTRATION FEE - A non-refundable, non-transferable fee of \$300.00 will be required in the Spring prior to registration for the next semester's classes. A credit for payment of this fee will be applied to the costs of the semester for which you pre-registered. You will receive a statement for this fee approximately 3 weeks prior to registration and will not be allowed to register unless payment has been made.

\*Full-time tuition charges are based on 12 - 18 credit hours per semester.

\*\* Room charges are based on double occupancy for the regular academic period of the semester. Students on campus during breaks for academic reasons will be charged an additional amount for room/board. Private rooms are an additional \$700.00 per semester. Due to the limited number of available private rooms, advance billing is not available. **Payment must be made at the time your request for a private room is granted.**

\*\*\* A deferment of payment is given for the **estimated gross payroll** for the academic year. Any difference between GROSS & NET pay will be billed at the end of each semester or upon withdrawal from Warren Wilson College. The difference would include unworked hours and Federal & State withholding taxes. **As an employer, Warren Wilson College is required by law to withhold payroll taxes which are forwarded to Federal and State agencies. Taxes are withheld based on the information the student provides on the W-4 and NC-4 forms.**

\*\*\*\* Tuition Management Systems is a non-affiliated financial service offering a liberal installment plan of monthly payments (for the charges listed above) with a modest application fee. Their website is [www.afford.com](http://www.afford.com).

Students should consult the student handbook regarding other fines/fees (i.e. dorm fines, parking fines, library fines, etc.).

Some classes (art, music, canoeing, etc.) require an additional fee to cover costs above regular tuition charges. Your class schedule or course instructor will advise you if there are additional fees for your class.

*Books and Supplies* may be purchased at the Campus Bookstore. Payment must be made at the time of purchase. The Campus Store accepts cash, personal checks made out to WWC Bookstore, and VISA, MASTERCARD or DISCOVER credit cards. If paying by credit card, the card must be imprinted with the name of the student making the purchase. Costs for books vary, depending on classes. An average of \$450 per semester is a good estimate.

**Education Tax Credits**

Several tax benefits are available to help families meet the cost of post-secondary education. These tax benefits are intended to help students and their parents as well as all working Americans to fulfill a variety of educational objectives. Taxpayers can claim one or, in some cases, two tax credits for expenses they pay for postsecondary education for themselves and their dependent children. These tax credits can directly reduce the amount of federal income tax for returns filed in 1999 or later. The Hope Scholarship Credit is available on a per-student basis for the first two years of postsecondary education, while the Lifetime Learning Credit applies on a tax return basis and covers a broader time frame and range of educational courses. Education expenses paid for with tax-free grants, scholarships, and employer-education assistance are not eligible for either tax credit. Education expenses paid with loans are eligible for these tax credits. *You should seek advice from a tax professional to determine your eligibility.*
