Describe any special skills you have which you feel would be beneficial to the Work Program. For example: experience with computers, heavy machinery, clerical, cameras, and/or electrical/carpentry/plumbing knowledge.

---

---

---

Tell us about the jobs you have had and what you liked and disliked about them.

---

---

---

The Work Program Office wants to know what technical or personnel skills you have. Describe the jobs or volunteer projects where you have obtained and/or utilized those skills.

---

---

---

If you have any special medication or physical limitations that will affect your job assignment, please list these and provide us with a supporting statement from your physician.
