

All Crews Quarter 3 (Jan – Mar) 2009/10 Fuel Use

How are we doing?

Goal this year: ↓ 10%

Quarter 3 actual: ↓ 22.58%

Great job! As a campus we are exceeding our 2009/10 goal! It is important that we keep it up because we are aiming for a 50% reduction in campus fuel use by 2014. Thanks for you efforts!
