

Preparing to Register for Your Fall Classes.

Congratulations on selecting the First Year Seminars that interest you, completing your Academic Survey, and taking the appropriate placement test(s). Now the fun begins as you explore classes and think about what you want to take in the fall. As you prepare for your registration appointment with your Integrated Advising Coach, here are some next steps.

1. Log onto myWWC and click on the Academics tab at the top next to the Home tab.
2. On the left hand side of the page, you will see a light blue rectangle. Use these links to navigate in the section.
3. Click on the [Advising and Registration](#) link. Here you may browse courses and find helpful Advising information.
4. On the right hand column under Add/Drop courses, you'll see links to two forms that need to be completed:
 - a) Personal Info Update
 - b) Registration Agreement Form
5. Once you have submitted these two forms, you may begin looking at fall courses.

These documents may be helpful as you think about classes you would like to take.
