Live Performance with Ruby Velle & The Soulphonics

8:00 pm, Morris' Pavilion

Deep, raw funk. Stax-style Southern soul. Uplifting Motown-channeling anthems. Atlanta's Ruby Velle and the Soulphonics are the heirs to the thrones of the old-school masters. But they're much more than just a group of revivalists trying to create a period piece. Powerhouse singer Velle and her band will settle for nothing less than bringing these classic sounds glimmering into the now with a fresh new modern sheen.
